President's Message

Dear Ladies,

“Some men **SEE** while others **SIGH.**”

As **educators** we see potential in people and experience continuing joy in learning. In our chapter's gatherings we connect with kindred spirits and learn together.

In our next meeting on April 16th we'll be able to learn from Victoria Fairleigh about surviving under the domination of Pol Pot as he attempted to kill all of the highly educated and wealthy people of Cambodia. She'll tell the gripping story of what she and her family endured during this time.

Then, on a happier note, Amanda Cargill will tell us about her recent travels in Thailand, another Southeast Asian country.

Several of us enjoyed our special event during Spring Break at Brookwood. Over the delicious lunch, we learned from Martha about the memorable trip she and Dave shared in New Zealand. I mentioned my highly-anticipated tattoos, which ended up being micro-blading. . . Come to our last meeting of this school year, April 16th, and you'll learn even more.

Sincerely,
Huntyce
