President's Message

Dear Lambda Gamma Sisters,

I hope this finds each of you doing well! Those April showers should be producing May flowers! We traveled to Ennis to see the bluebonnets with some friends and it was definitely a beautiful experience!

I cannot believe it is already time for our May meeting. This month we will be meeting at Pappy's Café at 12313 Katy Freeway off I-10 just east of Dairy Ashford on the eastbound side. When you arrive tell them you are with Lambda Gamma and we are suppose to have the meeting room in the back of the restaurant. We are meeting at 5:30 to give everyone time to get there. Everyone will order on their own, I will bring a cake for dessert as it is our Founders Day celebration.

Teri is suppose to bring her Mom Winnie Mason who is one of the founders of our chapter. I have asked Winnie to give us a history of her remembrance. We will have a small celebration and pass out some membership awards! We also will discuss our meeting arrangements for next year as we have several offers on the table. The grant was submitted for our partnership with Owens Elementary and I will find out at convention if our proposal was approved!

I hope to see all of you on Tuesday, May 18th so we can celebrate the end to a historic year for all of us!

Hugs,

Sue

Lambda Gamma Meeting
April 20, 2021

The April meeting of Lambda Gamma was held at Crossbridge Church. Members attending in person enjoyed a potluck dinner and visited while bidding on the desserts brought for the Silent Auction benefitting the Grant-in-Aid Fund.

Mary Smith presented a framed certificate for the 5 Star Newsletter Award to Martha Steele. Also presented to Martha was a DKG charm commemorating 35 years as a DKG member. Mary announced that several other awards will be given in May, including 60 Year Membership pin to Winnie Mason.

Sue Bathe announced that an application for a Project Stipend was sent in to ASTEF. Lambda Gamma applied for a \$1600 stipend for a three part project we plan to implement next year supporting Owen's Elementary School's students and teachers.

Sue also reported that she is registered to attend the DKG Texas Convention in Denton in June, and invited other members to also register to attend with her. Several members indicated they may be interested.

Mona Macias and Amanda Cargill presented an excellent program entitled "Coaching Teachers in Elementary School".

Following the program, the silent auction closed and payments for all high bids were collected. The meeting was adjourned at 7:00 PM.
